

OUTREACH: SCIENTIFIC AND PUBLIC ACTIVITIES

10/17/06	Speaker	Coasts Geologic Society	Rincon Mountain Megaslide, Ventura County, California
2005	Field Trip Leader	Association of Engineering Geology, Southern California Section	La Conchita Landslide, Ventura County, California
10/28/06	Field Stop Leader	Coasts Geologic Society	Rincon Mountain Megaslide, Ventura County, California
9/21/04	Speaker	Coasts Geologic Society	Mission Ridge Fault System
5/13/04	Speaker	Central Coast Geological Society	Active Tectonics of Santa Barbara, CA
4/15-18/04	Leader	2004 Friends of the Pleistocene Pacific Cell Field Trip	Santa Barbara Fold Belt and Beyond
9/07/03	Co-Leader	Southern California Earthquake Conference Annual Field Trip Meeting, Oxnard, California	Active Tectonics and Earthquake Hazards of the Santa Barbara Fold Belt,
2001-02	<i>Vice-President</i>	Coasts Geologic Society	Ventura Pacific Section Society of Economic Paleontologists and Mineralogists
2000-01	<i>Treasurer</i>	Coasts Geologic Society	Ventura Pacific Section Society of Economic Paleontologists and Mineralogists
7/13/99	Presenter	Conference of Southern California Emergency Planners/Coordinators	Earthquake Hazards of Santa Barbara California
5/26/99	Co-presenter	CAER: Community Awareness and Emergency Response	Earthquake Hazards of Santa Barbara California
5/17/99	Presenter	Coasts Geological Society of Ventura monthly meeting	Earthquake Hazards of the Santa Barbara Fold Belt
3/11/99	Co-presenter	Santa Barbara Geologists Monthly Luncheon	Geotectonic and Earthquake Hazards in Santa Barbara
8/4/98	Guest Lecturer	UCSB QUESTS/MRL Science and Technology Education of Junior High and High School Teachers	Classroom and field presentations on scientific method and Santa Barbara earthquake hazards.
1995-98	Volunteer cook and organizer	Coasts Geological Society, Ventura Pacific Section Society of Economic Paleontologists and Mineralogists	Volunteer cook for monthly geology meetings
6/4/98	Guest Lecturer	UC Santa Barbara GS100: Geophysics	Convergent tectonics and earthquake hazard of the Santa Barbara and Ventura area, California
4/598 - 4/6/98	Co-leader	2 Day Field trip for the Geol. Soc. Amer. Cordilleran Section Meeting, Long Beach, CA	Active Folding and Reverse Faulting Santa Barbara Fold Belt, CA

4/97	Presenter	Earth Day Santa Barbara, CA	Earthquake Hazard Awareness and Preparedness Exhibit
3/96	Co-leader	Field trip for University of Arizona Active Tectonics class (George Davis, Professor)	Earthquake Hazards of the Santa Barbara Fold Belt

OUTREACH, cont.

11/96	Presenter	Kinko's Corp. Earthquake Preparedness Day	Earthquake Awareness and Preparedness Presentation
10/96	Co-leader	New graduate students in the dept. of geological sciences, UC Santa Barbara, CA	Earthquake Hazards of the Santa Barbara Fold Belt field trip
6/8/96	Field trip assistant	Coast Geological Field Trip	Depositional Environments, Structure and Tectonics of the Western Transverse Ranges, Ventura Co., CA
4/96	Presenter	Earth Day Santa Barbara, CA	Earthquake Awareness and Preparedness Presentation for the Santa Barbara Community
6/23/95	Co-leader	Coast Geological Society Field Trip, Ventura Pacific Section Society of Economic Paleontologists and Mineralogists	Earthquake Hazards of the Santa Barbara Fold Belt field trip for about 40 CGS members
5/24/95	Co-presenter	UCSB Office of Government Relations and Institute for Crustal Studies: Seminar #1	Presentation of the state of knowledge of earthquake hazards for Santa Barbara, California
4/23/95	Presenter	Earth Day Santa Barbara, CA	Earthquake Awareness and Preparedness Presentation for the Santa Barbara Community
4/18/95	Presenter	Coast Geological Society Meeting, Ventura Pacific Section Society of Economic Paleontologists and Mineralogists	Presentation on Earthquake Hazards of the Santa Barbara fold belt, CA
4/13/95	Exhibit Co-ordinator	UCSB Earthquake Day	Institute for Crustal Studies and Environmental Studies Exhibits including Santa Barbara Earthquake Hazard Preparedness Exhibit
4/3/95	Co-leader	UCSB Alumni Field Trip: Webb Hall Dedication	Earthquake Hazards of the Santa Barbara Fold Belt field trip for about 40 UCSB alumni as part of the Webb Hall Dedication Ceremony

3/10/95	Lecturer and field trip leader	UCSB prospective graduate student lecture and field trip	Lecture and field trip on the earthquake hazards of the Santa Barbara fold belt
1/22/95	Co-leader	Institute for Crustal Studies Symposium on the western Transverse Ranges, California	Field Trip on the Santa Barbara fold belt and earthquake hazard
